ACCESSIBILITY SOLUTIONS

**“ My Cardinal Indoor straight stair lift has made my life so much easier, I can now keep active in my own home again. ”**

# The Cardinal Indoor

Simple in its operation yet detailed in design

## Become independent in your home

Your stairs should never be your biggest obstacle while aging in place. Negotiating the stairs shouldn't stop you from doing the things you want to do.

By choosing the Cardinal Indoor straight stair lift, you can continue enjoying your entire home without worry.

The Cardinal Indoor's compact design has a host of hidden features allowing you to reclaim your independence at home.

Straight staircases shouldn't stop you enjoying your home.

The Cardinal Indoor is a simple to use stair lift that can transform your day-to-day life.

## Room for Others Users

The Cardinal Indoor straight stair lift leaves as much space as possible on the stairs for other users.

The chair and footrest folds neatly against the wall allowing other stair users easy access.

# Features and Benefits

## 1 Ergonomic Controls

Simple, smooth operation glides you up and down the stairs smoothly.

## 2 Swivel Seat

A gentle turn of the seat handle allows the user to swivel the seat to get off onto the landing when it's safe.

## 3 Power Switch

An easy flick of the switch allows the stair lift to be powered on or off.

## 4 Clever Display

Simple, clean and clear digital display for easily understanding the status of the stair lift.

## 5 Removable Covers

The premium quality vinyl seat covers are removable for a deeper clean and better hygiene.

## 6 Handy Option

Left and right handed control options available assisting in usability and with dexterity issues.

## 7 Fold Away

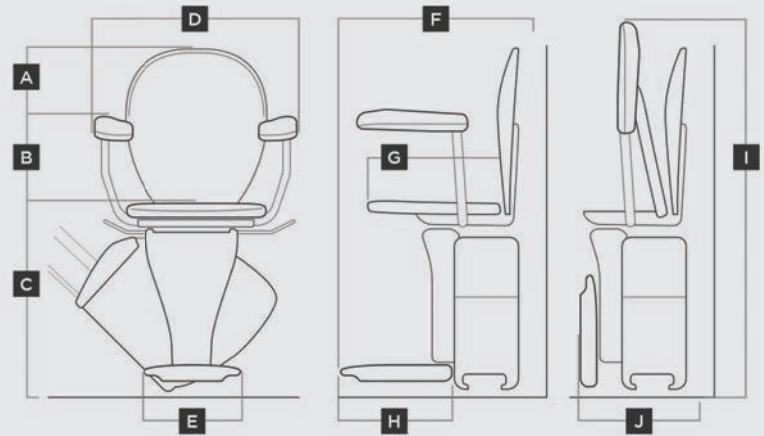

Lifting the arms and seat and using the lever to lift the footrest not only fold close to the wall but prevents discomfort in bending down.

## 8 Safety Sensors

Stops the Cardinal Indoor straight stair lift from moving if an obstacle is in its way.

# Cardinal Indoor Standard Features

The Cardinal Indoor straight stair lift include the following as standard.

## Retractable Seatbelt

Just like a car seatbelt, easy to adjust and use, giving the user the best comfort and safety possible whilst operating the stair lift.

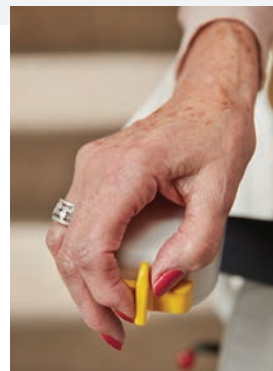

## Locking Keys

Two keys are included for locking the stair lift in an off position for added safety, preventing unwanted operation.

## Remote Controlled

Two remote controls are supplied giving simple and convenient operation. The stair lift to be called or sent up the staircase when it's not being used.

## Comfort and Control

The soft start/stop function is enhanced by the complete comfort of the padded seat, backrest and ergonomic controls.

## One of the World's Slimmest Stair Lifts

The Cardinal Indoor straight stair lift uses one of the slimmest rails in the world, making the Cardinal Indoor look less obtrusive with minimum impact to your home.

## Easy On Easy Off

With a gentle turn of the handle, the seat turns allowing you to get on and off the Cardinal Indoor with ease and confidence.

# Various Vinyl Color Options

The following color options are available to further customize your stair lift and make your stair lift unique to you and your home.

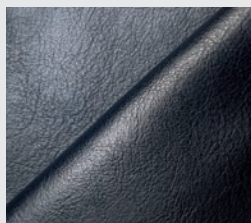

## Removable Covers

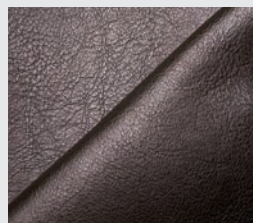

The vinyl padded seat is durable ensuring minimal scuffs and marks occur. Easy to wipe down or easily zipped-off for a deeper clean.

*We are one of the very few stair lift companies to include removable covers on our stair lifts!*
